

# Are There Enough?

Ms. Bank has 25 pencils.  
There are 18 students in  
Ms. Bank's class.

**NOTE** Students determine whether there are enough items for each child. Then they figure out how many are left over, or how many more are needed.

1. Are there enough for the class?

YES

NO

2. Are there any extra pencils?

YES

NO

How many? \_\_\_\_\_

3. Does Ms. Bank need more pencils?

YES

NO

How many? \_\_\_\_\_

4. How did you figure it out? Show your work.
